{DANTES Code = 17.03.00}

Introduction to Biology (BIOL 101)**3.00**

College credit by examination may apply. Visit the Liberty University website for a description of this course.

{DANTES Code = 16.03.00}

Free Electives**30.00****4.00**

College credit by examination or military credit may apply.

Beginning swimming	LL	1.00
Boating/seamanship	LL	1.00
Personal fitness/conditioning	LL	1.00
Personal health and first aid	LL	1.00

Excess or Duplicate Credit**TOTAL****60.00****4.00**

Thank you for requesting support from the U.S. Coast Guard Institute (CGI). Whereas we serve as an activity in support of your unit Educational Services Officer (ESO), you are encouraged to seek assistance from your local ESO in your academic endeavors. The following information is provided to help you understand what is presented in this degree plan:

This document is an UNOFFICIAL Degree Plan to provide you with a preliminary assessment of how your prior learning experiences might fit into the specified degree program for this academic institution. If you choose to pursue this degree option, you must present it to a college representative, who will review it for the following:

- o Accurate representation of the college's degree program requirements, including course numbers and titles, credit hours for each course, lower- and upper-level course requirements, and the total number of credits needed for the degree.
- o Appropriate assignment of ACE Guide-recommended credit at the lower or upper level for military service schools and occupations, CLEP, DSST, and other tests, transfer credit for courses from other colleges and universities, certification programs, etc.

o Appropriate assignment of SOC Course Category Codes from the SOC Handbook Transferability Tables. The SOC Degree Program Handbooks can be obtained from the SOC web site at: www.soc.aascu.org should you wish to learn more about the course transfer guarantees among SOC network institutions.

The Degree Plan may be used by the college to prepare an official SOC Student Agreement which, when signed by a college official, becomes a contract for degree completion between you and the college.

Credit for all courses you have taken must be reflected on official transcripts sent directly to this college from the administrative offices of the colleges you previously attended. This degree plan worksheet is often used for information purposes by college counselors pending receipt of the official transcripts from the source colleges.

This degree plan is not intended to compete with your local college or university. Keep in mind, you are allowed to transfer in a significant amount of the degree requirements to this institution. As such, credit from local colleges, college level examination programs, or advanced military training may be applied to this degree. You may also complete the courses necessary from this college either in residence (on campus or possibly on a military base at a campus extension in the Education Center) or through distance delivery of the courses. If you have questions, please contact the college counselor or your advisor listed at the bottom of this Degree Plan.

DEGREE PLAN LEGEND:

sh = semester hours
VOC = Vocational, not relative to an academic degree
LL = Lower Level, i.e. courses at the Freshman/Sophomore level
UL = Upper Level, i.e. courses at the Junior/Senior level
GL = Graduate Level (sometimes recommended by ACE for very complex courses)
[#] such as [Y24] or [Y124] = SOC Course Category Codes*
{#} such as {DANTES Code = 01.02.03} = DANTES Academic Codes **

* SOC Course Category Codes: Servicemembers Opportunity Colleges (SOC) is a consortium of over 1,600 accredited colleges and universities seeking to provide degree opportunities to the military. Over 170 of these institutions participate in network degree programs developed for the Army, Navy, Marine Corps, and Coast Guard. A SOC coourse category number beside a course from one of these institutions, such as [Y24] or [Y124] for English Composition, indicates that courses from other degree program institutions with the same code may be taken to satisfy the degree requirement. See the SOC Degree Programs Handbooks at <http://www.soc.aascu.org/>

** DANTES Academic Codes: The Defense Activity for Non-Traditional Education Support (DANTES) publishes the DANTES Independent Study Catalog (DISC) annually, which lists more than 6,000 courses from dozens of regionally accredited colleges and universities. Because this is a degree from a SOC affiliated college, the academic residency requirements are limited, thereby allowing students to transfer in a significant portion of the degree, as mentioned above. If the course you

desire to take is not offered by this institution when you want to take it, consider the opportunities the courses in the DISC present. For more information, visit http://www.dantes.doded.mil/dantes_web/distancelearning/disc/front/cont.htm Keep in mind, you should always check with the counselor or academic advisor at this institution before enrolling in a course listed in the DISC to ensure it will be accepted in transfer toward this degree.

Liberty University (LU) General Information

Liberty University® is dedicated to the commitment of offering our military students the highest quality education available. Liberty's President is a Lieutenant Colonel in the Army Reserves. Our Vice-President of Finance and Administration is a retired Air Force Brigadier General, and the school's Executive Director of Enrollment Management is a retired Navy Captain. This is why the Distance Learning Program's (DLP) Military Education Office at Liberty understands the hurdles facing military personnel in pursuing their college degree. There are a number of reasons why we feel that Liberty has the best distance education program available to military personnel.

There has never been a more convenient method to complete your college degree. Classroom instruction is sent to you, wherever you are, on high quality VHS videotapes that you view and review until you have mastered the course material. You also receive a detailed course outline, study notes and textbook(s). Open enrollment allows you to take courses whenever it is most convenient for you. Once your course activates, you have 120 days to complete your course(s). This means you determine your own class schedule, and you decide when you are ready to take a test. Liberty understands the time constraints that military students face. Course extensions can easily be approved when military duty conflicts with your course schedule. Only a copy of your military orders or a letter from your Commanding Officer is needed to grant the extension. By special arrangement for military personnel only, you can earn a college undergraduate degree with No Seat Time! Through our distance learning program you can earn a degree from wherever you are without spending one day in a campus classroom. Due to our unique videotape delivery system all you need is a TV and VCR to complete your college degree!

Under the Military Accelerated Program (MAP) , which is available to all military personnel, 12 hours of general education requirements are replaced with 12 hours of general elective credit. Which translates into more transfer credit applied toward your degree! This is just one more way Liberty University® caters to our Armed Forces.

Maximum number of credit by examination hours allowed : 30 hours

Maximum number of transfer credit allowed : 45 hours

Sometimes students do not need a bachelor's degree to attain their career goals. That's why Liberty offers an Associate of Arts (A. A.) in Religion as well as in General Studies.

Graduates with an A. A. in General Studies complete the same general education requirements as in a bachelor's degree - including courses like English,

Mathematics, Sciences and Government, as well as Bible courses such as Old Testament, New Testament, and Theology. If you simply need an associate's degree to advance in your current career, or would like additional education for self-accomplishment, the A.A. in General Studies might be just the degree for you.

Both the A. A. in Religion and in General Studies take approximately two years to complete - but with the flexibility of distance learning you can work at your own pace.

Costs: \$150 per semester hour

Note: Service members, veterans, Department of Defense employees, and their spouses will receive from LU a \$100 voucher (per course registered) for undergraduate students for purchasing of textbooks and videos for this course from MBS Direct.

To discuss your next step toward earning this degree with LU, contact:

Chris Falwell
Liberty University
1971 University Blvd.
Lynchburg, VA 24502
Phone: (434) 582-2353
E-mail: cfalwell@liberty.edu
Website: <http://www.liberty.edu>

Note: The curriculum requirements for this degree may appear differently on the Liberty University website. The courses required for the general public may vary from that of the military.
